Friends:

As a rail opponent you need Sam Slom in the Senate. When the City resorts to asking the Legislature for a further GE tax hike to shore up the City's failing rail financing, we want Sam in the Senate to focus attention on it and make sure that the public knows what is going on.

Senator Slom Opposes Tax Increases

Senator Slom is the only legislator who has voted against every tax increase. Find out more.

Sam is running against Larry Price; not THE Larry Price, football coach and KSSK radio personality, but rather a different Larry Price. Let's call him Larry Price Two to differentiate him from the real and well-known Larry Price. This is necessary since "Two" confuses matters even more by describing himself as "The voice we can trust."

Unfortunately, we know little about Larry Price Two. He says in a Honolulu Star-Advertiser report that he was a real estate agent, a pilot and worked in law enforcement, but he would not

respond to questions posed by KHVH Radio Personality Rick Hamada as to where he worked. Researchers in a nationwide search could find no evidence of the existence of real estate and pilot licenses to back up his claims. So — he has no verifiable resume nor do we know what he does for a living. In short,

Who is Larry Price Two?

What we do know is that "Two" lives in his parents' house and is endorsed by the [Hawai'i Progressive Democrats](#), "with enthusiasm;" these are the far left folks long associated with the Democratic Socialists of America. He is also endorsed by all the public worker union leaders.

Sam has been our watch dog in the Hawai'i Senate for the past 12 years shaming the Senate leadership into not raising taxes at times when they were inclined to do so. And he has been our window into what is really going on in the Senate as opposed to what appears to be happening.

Please help Sam by calling any friends you have in District 8 — Hawai'i Kai to Diamond Head — and ask them to please turn out to vote for Sam on November 2. Please also forward this email to your whole address book.

And ensure that you and your family members vote.
